ADDENDUM NO. 1

The Office of Campus Planning in September, 1974 assigned the name "Agronomy Field Headquarters" to this building and gave it 2623 Kenny Road as an address. This departure from the earlier 2723 was a deliberate move to make the number conform to the present numbering grid; it is not a typographical error.

The south side was enclosed by April 24, 1974.
